ABOUT RIVER RALLY 2019

June 21–24 ♦ Cleveland, Ohio

River Rally is the premier national annual event for people working for cleaner water and healthier rivers across the U.S. This vibrant and inclusive conference brings innovators, thought leaders, and staff from our network of over 6,000 local groups together to discuss urgent water issues and gain practical knowledge and hope essential to a future where healthier rivers and clean water are paramount. **We believe businesses play a vital role in that future.**

Showcase your business's commitment to water as a sponsor of River Rally.

We anticipate a high level of community engagement and media attention at this year's River Rally. River Rally 2019 will overlook the Cuyahoga River and falls on the 50th anniversary of the last Cuyahoga River fire, a moment in history that helped fuel the environmental movement and establish the Clean Water Act.

With bedrock water laws currently under threat, there has never been a more important moment to show support for those who protect and restore our nation's rivers and drinking water.

The River Rally 2019 program will feature keynote and plenary speakers who will inspire solutions for cleaner water and healthier rivers for the next 50 years. Don't miss the opportunity to demonstrate your commitment to water.
